ISS Group Now Offering Microsoft® SharePoint® Development and Implementation Services

Sparta, NJ — May 8, 2009 — ISS Group, in addition to our Web-based Business Process Solution offerings for MFG/PRO®, including [iPurchase™](#), [iQuote™](#), [iBridge™](#), [iCRM™](#), [iPortal™](#), [iMobile™](#), [iQuote Portal™](#), and [iDecisions™](#), is now offering a new service to the valued MFG/PRO User Community – Microsoft SharePoint Development and Implementation Services.

Microsoft SharePoint is Microsoft's fastest growing server product on the market today. Your organization can utilize SharePoint to facilitate collaboration among team members, as well as between your organization and trading partners. It provides you with content management features, the ability to implement business processes and supply access to information that is essential to your organization's goals and objectives.

ISS Group has retained a group of Microsoft SharePoint MVPs who possess extensive experience in delivering SharePoint services. Whether you are new to SharePoint and just looking for Web content management, forms/document management, and internal portals for internal information; or perhaps an organization who is ready to implement more advanced SharePoint features such as workflow, enterprise search, business intelligence, integration with back-office applications such as MFG/PRO, internal and external collaboration, or SharePoint Governance – our skilled team is ready to deliver.

For a more detailed description of what Microsoft SharePoint offers, or to find out about our SharePoint 'Health Check' to evaluate your current environment, identify any potential problem areas, and recommend the appropriate remediation, [contact us](#) today.

About ISS Group

ISS Group (ISSG) has been providing add-value solutions and services to the MFG/PRO community since 1995. Founded in 1986, ISSG has over 22 years of business process knowledge and experience servicing the Manufacturing & Distribution sectors. Over this 22 year period, ISSG has completed hundreds of ERP, eCommerce and CRM implementations, and continues to innovate and offer low cost solution 'extensions' for MFG/PRO. ISSG's solutions have been proven to reduce costs and improve employee productivity in specific areas of an MFG/PRO user organization, with many reference Clients including John Crane Inc, Eaton Corp, Laird Technologies, Remy

International, Ingersoll Rand, Tyco, and ANH Refractories, to name just a few. With deep technical and functional knowledge of the MFG/PRO application and the common business requirements of the Manufacturing & Distribution sectors and MFG/PRO user community; ISSG has greatly expanded our MFG/PRO solution's portfolio functionality to streamline and provide additional control over business processes in [Purchasing](#), [Sales](#), [Marketing](#) and [Customer Service](#).

We invite you to register and attend one of our ongoing informative [Webcasts](#), or [contact us](#) to schedule a private, no obligation demonstration of any of our solutions.
